

SENA 2025 - SECURITY EXPO North Africa, 6th Edition.

SENA 2025 is the largest Security and Policing exhibition in Africa. With more than 20.000 expected visitors, 200 exhibitors and 40 official delegations, the 6th edition will be the hub for local, African and international professionals to meet and interact.

SENA 2025 is the opportunity to present and discover the latest technologies and innovations in Commercial Security, Smart Home, Fire Protection & Rescue, Safety & Health, Perimeter & Physical Security, Information Security and Homeland Security & Policing.

SENA 2025 is the security business rendezvous bringing together manufactures, purchasers, wholesalers, retailers, integrators, installers, end-users and prescribers.

The 6th Edition of SENA 2025 Security and Policing is organised by CSENSE, Tunisian Electronic Security Trade Union Chamber, in collaboration with CTF EXPO.

SENA 2025 will be held from **October 15 to 19, 2025** at Le Kram Exhibition & International Trade Center- Tunis, Tunisia.

Why Exhibiting in SENA 2025 ?

SENA is the largest security event made and held in Africa to develop business channels between professionals. By bringing together more than 20.000 local, African and international visitors, it's a unique best place to promote your brands, products, solutions, and services locally and in Africa.

- Position your company as a major operator in the region.
- Launch new products and services with added values.
- Develop your company in existing and new markets.
- Strengthen your company networking.
- Highlight your latest innovations to the decision makers.
- Get a market feedback to implement new strategies.
